Hello Families!

I want to remind you about the importance of starting off your child's day in the best way possible! Please make sure students eat a power packed breakfast and are at school no later than 8:00. Our instructional day begins promptly at that time. When students miss the opening of their day, their entire day can often be impacted! Please ensure that your child is on time and ready to learn!

Pacer Fundraiser Information

Packets Due on Wednesday, November 9th! Please join us for Harrison Hill night at The Pacer Game on Monday, December 12th as the Pacers take on the Charlotte Hornets . Tickets are offered at a discounted price and a portion of all ticket sales are donated right back to our school. This is a wonderful opportunity to be with your HH family and enjoy some great basketball entertainment. Please share this with your family and friends!

Beginning this week, November 7th, Harrison Hill is launching a Kindness Campaign! Our school wide focus will be on spreading kindness through our actions and the power of our words. We are encouraging every student to spread kindness and our classrooms are coming up with ways that they can be kind to other classrooms in the building. This is some of the most important work we can do. Please talk with your children about how they are spreading kindness.

Parent Information Resource Center

Did you know that there is a Parent Information and Resource Center in our area? The Indiana Partnerships Center located at 921 E. 86th Street, Suite 108 works to empower parents about their rights and responsibilities pertaining to their children's education in the following ways:

- Providing parent-focused workshops that are scheduled by schools, community groups, or parent groups.
- Providing education-related information and resource materials, including information about school choice, attendance, tips for parents and teachers talking together, and how to have a family friendly school.
- Helping schools develop parent engagement strategies that provide opportunities for parents to become decision-makers in their children's school, resources for school improvement, and mentors to others.

Contact them at 317-205-2595 or on the web at www.fscp.org for more
